

## AIR NOZZLE SILVENT 221 W

Item number: 02210169551

SILVENT 221 W - 251 W: FlexBlow hose and nozzle mounted on a magnetic base. It allows quick and easy adjustment to the correct blowing angle. Maintains the desired position, even at high pressures. Available in 4 standard lengths. Otherwise, the same performance as 9002W.

### Technical data

|                                      |       |
|--------------------------------------|-------|
| Replace open pipe Ø (mm)             | 6     |
| Blowing force (N)                    | 6.0   |
| Air consumption (Nm <sup>3</sup> /h) | 30.0  |
| Sound level (dB(A))                  | 80    |
| Nozzle technology                    | Slot  |
| Material (nozzle)                    | ZYTEL |
| Connection                           | Ø 9   |
| Weight (g)                           | 845   |
| Max temp (°C)                        | 70    |
| Max op. pressure (MPa)               | 1.0   |

### Benefits when replacing an open pipe

|                          |                         |     |
|--------------------------|-------------------------|-----|
| Replace open pipe Ø (mm) | 6                       |     |
| Noise reduction          | 22 [dB(A)]              | 78% |
| Energy savings           | 37 [Nm <sup>3</sup> /h] | 55% |
